Re: United States v. Erdal Kuyumcu;
Docket No. 16-CR-308 (DLI)

Dear Chief Judge Irizarry:

I write to your Honor on behalf of both the government and defense to request a one-month adjournment from the scheduled April 5, 2017 Fatico sentencing hearing in the above-referenced matter. From the defense standpoint, we recently received voluminous materials and are in the process of evaluating them in advance of the hearing. From the government standpoint, an adjournment is needed due to the unavailability of a government witness for the April 5, 2017 hearing and who is scheduled to be on official government travel for most of April.

Both parties and their witnesses shall be available to proceed from May 1, 2017 through May 10, 2017.

Thank you for every consideration of our mutual request.

Respectfully Submitted,

Patrick A. Mullin, Esq.
